

Administrivia (Week 9, July 4th)

- Today!
- Digital workshop discussion/your feedback (20 mins)
- Future of Work workshop!

Future workshops!

- War stories in CSCW (aka key challenges faced), July 12th
 - Co-organizers/presenters: Leon, Hamzah, Lucas
 - Presentations; Fishbowl panel on “ethics” (goal a framework?)
 - Blog post – no specific reading but I provide one reading as a starting point, and see Slack channel: ethics-and-cscw for some links I added as well (but feel free to find your own materials to discuss and broaden our discussion!)

Future workshops!

- War stories in CSCW, July 12th
 - Co-organizers/presenters: Leon, Hamzah, Lucas
 - Presentations; Fishbowl panel on “ethics” (goal a framework?)
 - Blog post – no specific reading, but see channel: ethics-and-cscw
- The role of data on collaborative software engineering, July 19th
 - Co-organizers: Nathan, Liam, Francisco, Jian
 - Two Guest speakers are lined up already 😊
